Privacy Policy

Hamilton Inline Hockey operates legally and observes the conditions of the Privacy Act.

Hamilton Inline Hockey acknowledge that during the course of scheduled games, tournaments either home or away, social events and team events outside of games, photographs will be taken by representatives of the club, external organisations, NZIHA, family and friends of players.

The club deems that all photographs taken by Hamilton Inline Hockey representatives, LNI, NZIHA or any other NZIHA affiliated club or organisations, are the property of the club and as such can be used for the purpose of:

- Flyers for schools
- Promotions – e.g. a board at the rink over the summer holidays
- Newsletters
- Website
- Social media

The club also wishes to acknowledge that often other players in the team are captured when taking photos of individuals.

The posting of any photos will be used for the sole purpose of promoting the club or the sport of Inline Hockey.

Permission for the use of any photos will not be sought prior to publication. Therefore, should you not want photos of your child to be published you are required to address your concern to the Committee in writing to the following address:

All other confidential information collected by the club will only be used for the purpose of the sport ensuring that the needs of the players are met wherever possible. All Information held will be accessible by request.

However, this right of access is not absolute and the Privacy Act includes a number of reasons for refusing access to this personal information. These reasons include:

- the information is not readily retrievable;
- the information requested does not exist or cannot be found;
- the information requested relates to a third person, the disclosure of which infringes their rights to privacy; and;
- the information is of an "evaluative" nature, the disclosure of which would breach an express or implied promise to the supplier of that information that that information would remain confidential.
