Coaches have the discretion, in consultation with their team and the team manager, to 'play to win', which could result in certain players having more game time than others. Team managers and coaches have the right to bench any player for part or all of any game if (in the opinion of the manager and/or coach) their conduct does not meet the standards of behaviour required on or off the rink.

Team training costs are levied on a user-pays basis for all teams. Please note: there will be no concession cards required for training.

16. League game fee – The entry fee is for league or championship games only and includes the following mandated league costs – a one-off regional entry fee for each team (covered within the Club membership fee), and maybe \$5 rink fee per game played per player (which covers competition rink hire and referee payments). 19. All fees due by 31 May – All season fees, and any arrears, must be paid in full by 31 May of the current year. Weekly payments throughout the year of approx. \$10 would help achieve full payment by the final due date.
